ALL BEHAVIOR MAKES SENSE WITH ENOUGH INFORMATION

Most debates are people with different lives talking.

An important question I love is: What have you experienced that makes you believe what you do? And would I believe the same if I experienced what you have? The answer is usually yes, and it explains more disagreements than anything else I know of.
Ptice su odjednom...polete sa grane, i sve je utihnulo.

M ONEY AND STATUS

I once heard someone say that a nicer car is better money spent, and once you drive it you know.

Money once spent on status is money once spent on others.
